New Family Referral Program

Earn a \$50 Gift Card for a New Family Referral!

At St. Anthony of Padua Parish School, parents and students are our best ambassadors. We would like to express our appreciation to those who help encourage new families with similar values, commitment, and priorities to apply to our school.

Through our **New Family Referral Program**, your family can receive a **\$50 Gift Card** for referring a new family to our school.

Here's how it works:

- The New Family Referral Program is open to teachers, staff, and parents or legal guardians with Pre-School through 8th grade students enrolled at St. Anthony of Padua Parish School.
- Gift Cards will be given for referring **new families that enroll, are accepted and attend** St. Anthony of Padua Parish School for the 2016-2017 school year.
- Referred families cannot have siblings currently enrolled at St. Anthony of Padua School.
- Referred families can not be previous students of St. Anthony of Padua Parish School.
- Referrals must be acknowledged during the initial contact with the school. **The referring family must ensure that the prospective family completes the referral section on the Enrollment Application.**
- All new students must meet standard enrollment criteria.
- Gift Cards will be rewarded approximately 30 days after the family start date.
- There are NO limits on family referrals.
- The referring family will receive a list of gift cards to choose from that are approved for the referral program.

Note: The Family Referral Program is subject to review and modification. Interpretation of program parameters will be at the discretion of the Pastor/Administrator and Principal.
