November 4, 2020

Dear Parent(s)/Guardian(s),

St. Anthony School (Pre-School-Grade 8) values the time families spend with one another. We believe that it is important because it strengthens the bond between everyone. We applaud all of our school families for being cautious, patient and cooperative in following the school guidelines. Our goal is always to maintain the health of our families and staff by doing our best to keep COVID-19 out of the school. We know that there may be a time in which we are unsuccessful, but we will always continue to strive for excellence.

Families have been inquiring about travel as the holidays near. As we have seen an increase in the amount of daily cases across the country, we want to lie on the side of caution. While we are not advocating one thing or another, we are asking that you communicate with us when taking an out of state trip. We continue to ask all of our families to respect our entire school family and continue to collaborate with one another to best preserve the safety of our children and staff.

Our policy at St. Anthony's, in terms of out of state travel, is that any student leaving the state of Ohio will need to quarantine for at least 7 days upon arrival back to the state. The student will be able to participate in online education during that time.

St. Anthony of Padua (Pre-school-Grade 8) administration reserves the right to amend this protocol as necessary to keep our school family safe. If you need additional clarification, please do not hesitate to reach out to us.

Thank you for your ongoing cooperation during this time.

Sincerely,

*Julio S. Alarcon Jr.*

Julio Alarcon
