Parent / Guardian Responsibility

I understand that completing an Enrollment Application does not guarantee acceptance into St. Anthony of Padua Parish School. I agree to pay the NON-REFUNDABLE Application & Technology Fee totally \$125/student. I also agree to keep all financial obligations current and understand failure to do so may result in school records being detained or enrollment suspension. In addition, I understand that it is necessary for my family to participate in one fundraiser each school year.

Student Referrals Program

A current St. Anthony School Family can refer a new student (non sibling) to our school and receive a \$125 per new student referral. The new student's family must acknowledge the referring family upon completing their enrollment application. The new student must be present on the first week of school to receive the \$125. No limits on referrals.
