WE ARE IN THIS TOGETHER

Message from Mr. Alarcon

It is crazy to think we are already in March! This has been a school year that we all will remember, that is for sure. As with anything, we do see the light at the end of the tunnel! We are praying that it comes soon so that we can get back to normalcy. Thank you for your flexibility, understanding and patience. When I think of March, I think of Spring. It is one of my favorite times of the year. The weather is getting warmer, snow is replaced with rain and baseball season is right upon us! Spring is a time to enjoy and thank God for the awesomeness that is nature. At school, we look at this time as a chance to begin preparing our children for the next school year. Even during these challenging times, we are always looking at the future. Our students will soon be taking assessments that will demonstrate their growth over the school year. While this is important, please do not forget what our children have gone through over the past year. We ask to let them play outside, be kids and always be safe! God Bless.

Student Mass Schedule

03/01 - Grades 3-5

03/08 - Grades 6-8

03/15 - Grades 3-5

03/22 - Grades 6-8

03/29 - Grades 2-5

Students will be taken to the Church at 8:25am. If your child has mass that day, please try to get them to school before that time.

Teacher Spotlight

This month, we want to highlight a fantastic teacher that has put her mark on St. Anthony's for many years. Mrs. Huss, our PreK teacher and Coordinator, has done a fantastic job educating our youngest children for years. She, herself, was a student at St. Anthony's. Her work ethic and relationship building is extraordinary. The way that she works with our 4 year-olds is a sight to behold. Mrs. Huss is one of the most positive teachers I have met. She is a class act and we are honored that she is with us at St. Anthony's. If you see her, please congratulate and thank her for all she does!

PAC Meeting 03/03 at 6pm

Spring Pictures are on March 9th

Jungle Terry Assembly is on March 12th!

Jungle Terry will be coming to St. Anthony's. The Assembly will take place in the gym with the students seated on the bleachers. We will have 4 different shows so students can be separated accordingly. After each show, we will sanitize the bleachers. This should be great fun for all of the kids!
