- e. **Nov 17---Virtual Family Tech Talk Night: From Fake News to Tik Tok Trends** -- Fostering Safe and Responsible Internet Usage for our Kids and Families--7-8pm--Sponsored by PTO Today and Trend Micro.

Texting, gramming, Roblox, Minecraft, TikTok, YouTube. Technology is changing fast, and many of us are struggling to stay one step ahead of our kids and learn everything we can about being online. (Not an easy task when most of them know more about it than we do!) Please join us on **Nov. 17 for an expert presentation and Q&A about how to teach them to be smart, safe, and respectful digital citizens (only the webinar hosts will be seen and heard--however, the comment section will be open). We'll also cover privacy and security issues, how to encourage responsible Internet use, and even more. Click the link below to join the event. Hope to see you there!
