

St. Anthony of Padua School & Pre-School

New Student Referral Program For 2024-2025 School Year

St. Anthony's students and parents are by far our best ambassadors of sharing positive experiences about our school to their families and friends. We would like to express our appreciation to those who help encourage new families with similar values, commitment, and priorities to apply to our school.

Through our **New Student** Referral Program, your family can receive **\$250** for referring a new student to our school.

Here's how it works:

The New **Student** Referral Program is open to teachers, staff, and parents or legal guardians with Pre-School through 8th grade students enrolled at St. Anthony of Padua Parish School & Pre-School.

- Referral must be acknowledged during the initial contact with the school. The referring family must ensure that the prospective family completes the referral section on the Enrollment Application.
- Family referring new student(s) who is accepted, attends and is still in attendance on 11/01/2024 will receive \$250 per student referred
- There are **NO limits** on student referrals.
- Families with the most student referrals as of November 1, 2024, will be awarded an additional \$500.

Note: The Student Referral Program is subject to review and modification. Interpretation of program parameters will be at the discretion of the Pastor/Principal.
